

Key Stage 4 Careers Activities

Throughout their time at Kickstart Academy students will have meaningful experiences and opportunities linked to careers. These experiences are tracked and monitored by the careers lead.

We strive to ensure students experience as many as possible during their Year 10 and Year 11 educational journey.

Careers Appointments	Future Skills Questionnaire	Information accessible on school website for students, parents/carers, employers and teachers	Careers library in school	Contact with Independent Training Providers
Up-to-date career & labour market information	Opportunities to explore and challenge stereotypical thinking around careers	Interview Practice	Guest Speakers	Information on 6th Form and Higher Education Providers
College Visits Telford College Shrewsbury Walford Stafford	Cross curricular study of careers	Two meaningful encounters with an employer	Enterprise Experience	One meaningful work experience placement before the end of Year 11
Support given to create a CV	Apprenticeship Show	Careers Fair
